- Fixed and fortified formulation
- Chelated trace minerals
- Added amino acids
- Organic selenium
- Added B vitamins including Biotin
- Added Vitamin C, D, and E
- Essential Omega 3 and Omega 6 fatty acids
- PrimaLac™ Direct Fed Microbials
- Diamond V® XPC yeast culture

#### Feeding Directions:

Feed 1 pound for each 100 pounds of body weight to replace not more than one half of hay consumption per day.

As a grain, this feed has adequate nutrients to fulfill needs of the easy keeper. Feed 1 to 1 1/4 pound per 100 pounds of body weight.

Feed with good quality hay or pasture according to weight, body condition, and activity. Supply plenty of fresh, clean water at all times.
